## AUSTRALASIA'S LEADING CONFERENCE FOR RADIOGRAPHERS, RADIATION THERAPISTS, AND THE WIDER MEDICAL RADIATION SCIENCES COMMUNITY

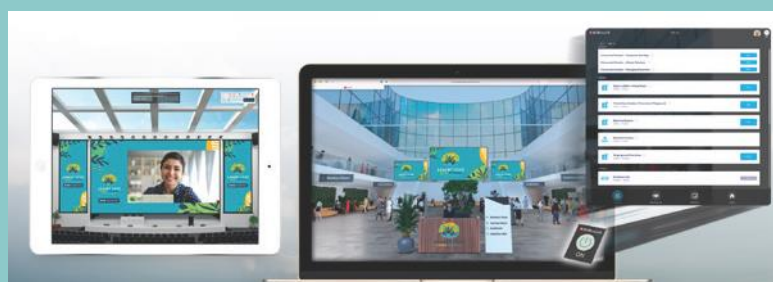

The theme for this conference is

***Unite – the land, the sea, the people.***

In addition to the usual technical sessions and shared information on the latest in-patient care, this event will include a focus on rural and remote challenges and opportunities, cultural considerations including indigenous and CALD patients and more. We have an additional focus on ultrasound and nuclear medicine, making it a complete event for Medical Radiation Sciences.

**This conference is the platform for your company to promote your products and services to the practitioners of Medical Radiation Sciences in Australia.**

Some sessions will also be available online, and all attendees have access to the virtual platform for recordings and contacts for 12 months after the event

# WE INVITE YOU TO UNITE WITH US

We invite you to Unite with us, to demonstrate your expertise and key messages to Medical Radiation Science Professionals. Equipment purchases and specifications for tenders throughout Australasia are made and recommended directly by our members – the professionals who actively use medical imaging and radiation therapy technology day in, day out. ASMIRT 2022 gives you a unique platform to showcase your company's latest technology and services while developing, building and strengthening key relationships and business partners in medical radiation science.

This conference Cairns is scheduled as a face-to-face event, with some sessions streamed live for additional reach.

This event is well known as being a great opportunity for professionals to learn the latest from their peers as well as find out the latest developments from companies supplying goods and services to the industry.

## **Event Specifics:**

The ASMIRT 2022 Conference will be held over four days (19-21 May) in Cairns and will include:

- A day or pre-conference workshops and meetings (19 May – includes exhibition bump in)
- A large exhibition space; includes service of Morning Tea, Lunch, and Afternoon Tea's
- A program with up to five concurrent streams including the ability for companies to sponsor and to present at these sessions. A great way to get in front of you target audience.
- A dynamic social program including Friday 19 May's Welcome function poolside, and a Gala dinner at Hemingways Brewery on Saturday 20 May.
- Attendee scanning through the conference app. The app will include information on attendees' specific interests which can match to your company's keywords to help with your business development and to find out who is interested in specific technology and services.

## **Attendees:**

**We expect over 600 delegates at**

**ASMIRT 2022, including:**

- Radiographers
- Radiation Therapists
- Mammographers
- Sonographers
- Nuclear Medicine Technologists

## **Face to Face event:**

We have taken on the feedback from our event partners, sponsors and exhibitors, and the focus for ASMIRT 2022 is as a face-to-face event. There will be a virtual aspect of the event for those unable to travel.

## **Sponsored events:**

We welcome sponsored events for conference attendees on the Thursday evening and Saturday morning. This is a great chance to host a cocktail function or similar to reconnect and unite with the conference attendees.

This prospectus outlines some opportunities for you to promote your company. If you have any suggestions or ideas that you would like to put forward, we would be very happy to work with you to make them happen.

We invite you to collaborate to make ASMIRT 2022 a successful event for all.

# OVERVIEW

## ASMIRT 2022 Schedule

ASMIRT 2022 will be held at Cairns Convention Centre from 19-21 May 2022. With access to the whole venue for the event, we are in a great position to adapt the event to the spaces available and include special sponsor events at the conference venue.

- The exhibition will be held in the Arena with a floorspace of approximately 1500m<sup>2</sup>.
- Morning, afternoon teas and stand-up lunches will be held within the exhibition space.
- Load in and preconference meetings and workshops will be held on Thursday 19 May 2022.
- The main conference will be held over three days from 20-22 May 2020 with the exhibition closing at lunchtime on the Sunday.
- We have negotiated flexible dates for storage of event equipment at the venue for no charge from 2 weeks prior to the event, up until a few days after the event.
- The exhibition will be open throughout the event when the technical sessions are in progress also.

## Sponsorship Packages & Exhibition Space

We are committed to working with you to ensure you receive maximum return on investment from your involvement in ASMIRT 2022

We offer a range of sponsorship and participation options. You can customise your package, taking up as many marketing and activation opportunities as

your budget allows.

The more options you take up, the greater recognition and interaction your company will receive, both at the meeting and through the greater ASMIRT-NZIMRT marketing reach.

The total of your sponsorship and exhibition investment determines your level of sponsorship and additional value-added promotional opportunities worth up to \$15,000.

Please note sponsorship opportunities are subject to availability and will be offered on a first-come, first-served basis (unless prior arrangements have been made), and subject to approval of the Organising Committee.

Sponsors have first preference of position selection in the exhibition space. Priority of booth allocation will be issued according to level of sponsorship. Exhibition-only space will be sold on a first-come, first-served basis. ASMIRT reserves the right to hold some spaces for sponsors and to modify the floor plan.

# Freight forwarding

Agility Fairs and Events is the official freight forwarder and to ASMIRT 2022.

Specialising in exhibition freight forwarding - both domestic and international - Agility can ensure that exhibitors' product, display & merchandise are in the right place, at the right time.

Providing a complete transport, materials handling & storage service, we monitor freight from origin through to venue loading dock, ensuring goods are handled in a professional manner and all formalities/deadlines are met.

If you are using Agility, your goods will automatically be delivered to the venue loading dock.

Agility Fairs & Events offers the following services:

- All local, interstate and international transport services including delivery.
- For international exhibitors, a comprehensive international freight forwarding service tailored to each particular exhibitor's requirements
- A team of experts to arrange a full door-to-venue service, inclusive of freight, customs and all handling

## **PLEASE NOTE:**

**The show bumps in on very tight parameters and deliveries will not be accepted at the venue earlier. Furthermore, all freight must be removed from the venue during official move out times, no exceptions. Agility may be instructed by the Event Organiser to remove any freight still onsite at the end of tenancy back to a local Agility depot, at the expense of the exhibitor/contractor. For these reasons, we highly recommend using Agility as their service is door-to-venue and they work weekends and outside normal business hours.**

Agility is a key partner to this event and has been engaged to assist you. Prior to the show, Agility will make contact to discuss and determine your individual freight and logistics requirements. In the meantime, please refer to the next section for guidance on how to place work orders.

## **Domestic [within Australia] freight inquiries:**

Please submit your work orders by accessing Agility's Event Services Portal.

**Click here to access the portal**

Should you require any assistance during this process, please contact:

Agility Fairs & Events  
47 Watson Drive, Melbourne Airport  
Tel: +61 3 9330 3303  
E-mail: [reward@agility.com](mailto:reward@agility.com)

## **Please note:**

- If you are using your own transport company, Agility or the venue cannot sign for delivery of goods on your behalf. Please ensure you make specific arrangements with your transport provider and/or ensure you have a representative onsite at the time of delivery.
- Agility may be instructed by the Event Organiser to remove any freight still onsite at the end of tenancy back to a local Agility depot, at the expense of the exhibitor/contractor.
- Agility Fairs & Events trading Terms & Conditions apply for all services provided – it is important that you are aware of these. [Please view Agility Fairs & Events Standard Terms & Conditions \\*\\* click here](#)
