We are committed to working with you to ensure you receive maximum return on investment from your involvement in ASMIRT 2023.

We offer a range of sponsorship and participation options. You can customise your package, taking up as many marketing and activation opportunities as your budget allows.

The more options you take up, the greater recognition and interaction your company will receive, both at the meeting and through the greater ASMIRT & RAINS marketing reach.

The total of your sponsorship and exhibition investment determines your level of sponsorship and additional value-added promotional opportunities worth \$16,000+

Please note sponsorship opportunities are subject to availability and will be offered on a first-come, first-served basis (unless prior arrangements have been made), and subject to approval of the Organising Committee.

Sponsors have first preference of position selection in the exhibition space. Priority of booth allocation will be issued according to level of sponsorship. Exhibition-only space will be sold on a first-come, first-served basis. ASMIRT reserves the right to hold some spaces for sponsors and to modify the floor plan.
